Dated : the 4th June 1956

[Despatch Abstract.]

Agriculture - Grow More Food - Tractor trailer or Cobey Wagon - Hiring of departmental tractor trailer or Cobey wagons on hourly basis - Proposal of the Director of Agriculture, Madras - Orders passed.

GOVERNMENT OF MADRAS
ABSTRACT

AGRICULTURE - Grow More Food - Tractor trailer or Cobey wagon - Hiring of departmental tractor trailer or Cobey wagons on hourly basis - Proposal of the Director of Agriculture, Madras - Orders passed.

AGRICULTURE(FOOD PRODUCTION) DEPARTMENT.

G.O.MS.NO.238 Dated the 4th June 1956.

Read the following:

1) G.O.Ms.No.356 Agriculture(Food Production)dated 2-11-54.
ii) From the Director of Agriculture, Madras letter No.T.1. 255/56- dated 27-3-56

O R D E R:

In G.O.Ms No.356 Agriculture(Food Production) dated 2-11-54, the Government permitted the hiring of the lowest horse power tractor trailers or cobey wagons at the rates mentioned below for transport of manures etc. when departmental lorries are not available.

Description of tractor trailer.	Rate
1. 200 K, 30 K tractor trailer with fuel oil, driver etc.	Rs.32/- per day of 8 hours.
2. 20 K, 30 K tractors without fuel oil and with driver.	Rs.20/- per day of 8 hours.
3. Trailer alone without a tractor.	Rs.0-12-0 per hour with a minimum of Rs.6/- per day of 8 hours.

2. As there is demand for the tractor trailer or cobey wagons for work for less than 8 hours in many cases and as no specific sanction exists to collect hire charges on hourly basis if the units are used for less than 8 hours, the Director of Agriculture, Madras has proposed that the tractor trailers or cobey wagons may be hired out at Rs.4/- per hour with fuel oil, drivers etc. and at Rs.2-8-0 per hour without fuel oil, driver etc.

3. The Government have examined the proposal and observe that when the units are moved over long distances for use for only a short period like 3 or 4 or even 6 hours they run the risk of being damaged and that in order to cover the risk, the hire charges on hourly basis should be fixed at higher rates. They accordingly direct that the hire charges for the supply of the nits with fuel oil, driver etc. and without fuel oil, driver etc. be fixed as Rs.4-8-0 (Rupees four and annas eight only) and Rs.3/- (Rupees three only) per hour respectively.

4. The Government also observe that only in very rare cases, the departmental officers, can take delivery of the tractors from the shed, work them at the work spots and return them to the shed within eight hours and that in cases where the workspot is at a long distrance from the shed where the tractor are stationed, it will not be possible to return the tractors within eight hours and that there is no point in collecting the hire charges in such cases on hourly basis. According to the hiring scheme transport charges of the units to and fro should borne by the hirer.
